Kennebec Telephone Co. Inc.

Manager's Moment from Chris Zirpel

Well, it took longer than some people thought, but the pandemic is hopefully on its way out of here soon! Places are opening up again, more people are traveling and eating out, and maybe some normalcy is on the horizon. As for Kennebec Telephone, we never really slowed down and we were glad to see a light winter so we could keep working on projects. With all the rule and procedure changes, things around the office didn't seem to slow down much either. If you are as busy as we are, anything that can be simplified helps a lot. One of the services we offer to help simplify things is putting all your charges on one bill. We can add your non-phone service invoices to your phone bill, whether it is from Kennebec Telephone Internet, TCS, Charley's, KTC Construction or PowerCom Electric. The one exception is Chamberlain NAPA, which is on a completely different billing system and therefore cannot be added to your phone bill.

For this to happen, the only thing you need to do is sign an authorization form giving us permission to add those charges to your phone bill. You can either stop by the office to sign it or give us a call and we can mail the form to you. Once we have the signed form, we will add the non-phone service invoices billed through approximately the 24th of the month to your phone bill dated the 1st of the following month. This allows you to only make one payment per month for everything. If you choose to do this, you will still receive a copy of each individual invoice for your records. If you have any questions, please stop by the office or give us a call at 869-2220. We appreciate and thank you for your business.

CONGRATULATIONS TO OUR BUILD DAKOTA GRADUATES!

Chloe, Carter, Christie & Matt Collins at Carter's graduation from Mitchell Tech on May 7. Carter goes from part-time to full time with Powercom, as a apprentice electrician.

And more news! Christie will be joining us on June 1st as Human Resources manager, after 16 years as Elementary Secretary in Kennebec, for the Lyman School District.

Build Dakota Scholar, Casey Kolb, graduated from Lake area Tech on May 14th, and has now joined the staff at Charley's Welding & Auto Repair full time as an automotive technician. Glad to have you back, Casey!

Welcome to our 2021-22

Brandon is a 2021 Chamberlain graduate, who formerly lived in Sioux Falls. He's worked at Ace Hardware, so his face may be familiar if you have shopped there! As mentioned in last months newsletter, Brandon will be attending Mitchell Tech this fall, and is getting a head start on things by working part-time for Powercom this summer.

Brandon Jensen

Nathan Neumann

Nathan is also a 2021 Chamberlain graduate, who has+++ lived in Chamberlain most of his life. He will be attending Southeast Tech this fall for Automotive Tech training. He'll be part time at Charley's Welding and Auto this summer. Nathan likes to skateboard and play video games, and likes to tell jokes. Welcome to our crew, Nathan!
