It doesn't seem that long ago that I joined the KTCI family. It all started with a call from Rod Bowar asking if I was interested in a job. I said, "yes", and it was the best decision I have ever made.

My most memorable experience occurred soon after I began. It was the 100th anniversary of Kennebec Telephone and I had the pleasure of delivering the "SWAG" that we had that year! It gave me the opportunity to remember where many folks lived and I was able to visit with everyone. Thank you to all the customers that made that a very fun experience and now a fond memory. I'll miss seeing and visiting with folks on the phone!

I would also like to thank the many folks I have worked with through the years. The experience and knowledge I have gained will never be lost or forgotten. It's been a great pleasure, mostly, working on this newsletter for the last several years too!

As far as what I'm planning to do in my retirement? Well, I've always enjoyed traveling, so that's definitely a YES! As I am writing this, there is an enormous amount of snow outside my window, so a warmer destination is high on the list!

Thank you, Kennebec Telephone Co., Inc,
for fifteen and a half years!

Crystal, Veronica, Michelle and Lesa represented the companies, and gave out directories and other company swag!
